What's New For Wright Flyers

The Sunday Flyers Club is losing their flying field and offered to give some of their flight tables to our club. The tables are not in the best of condition, but they are usable and add to the setup space for flyers at our field. Thanks to a couple of club members for picking up these tables from Sunday Flyers.

Paperless Membership Application

zelle®

We launched a new system for membership applications 2024. The system allows members to renew their membership online! The "paperless" renewal application was sent out by our new membership coordinator and has been used by over half of our members. Thanks to Rob Chuang for introducing this "easy" method of providing your membership application.

We also setup the popular Zelle money transfer system in the club bank account. This allows members to send money directly from their bank account to the club bank account - no US Mail required. Several members have taken advantage of this method to pay their membership dues.

Safety Reminders

Safety Reminders:

1. There is no flying allowed to the South of an imaginary line that runs parallel to the South edge of the runway as shown in this aerial photo.
2. Pilots should not land or take off when there is anyone on the runway.
3. When there is more than one aircraft in the air, all pilots should stand in the pilot station area together to insure good communication can be shared between pilots on landings, takeoffs, and flight pattern usage.
4. When exiting the runway, use the short taxiways but stop short of the pit area. Do not taxi your model into the pit area.

Club Meetings for 2024

We will continue to hold our club meetings on Saturday at the flying field at 12:00 noon. The meetings will be held once per quarter or as announced for special meetings. A rain day will be announced if bad weather is in the forecast for a scheduled meeting. Here are the dates for the 2024 meetings:

March 23, 2024 - First Quarter (first meeting of the year)

June 29, 2024 - Second Quarter

September 28, 2024 - Third Quarter

November 9, 2024 - Fourth Quarter (last meeting of the year)
